

Candidates for Employment at NextGate:

In addition to the technical project we have asked you to complete, we would also like you to prepare a 10 – 15 minute presentation on a topic of your choice.

Our preference is this is a non-technical and something that you are *passionate* about. Example: Such as a sport you enjoy participating in or watching, an organization that you belong to, volunteer work that you may do, a cause that you support, travel, a hobby, etc.

Be as creative as you can. Prepare a PowerPoint slide show for the allotted time. Be funny or serious. It is up to you.
